VETERINARY CERTIFICATE

Horse: Zoustar x Meadow '19

Signalment: Chestnut yearling colt

Brands: Left shoulder = Wave over script N dot
Right shoulder = 33 over 9

Microchip: 985100012163409

Examined at: Raheen Stud, Barn K, Magic Millions, Bundall QLD

At the request of *Ms Carol Walsh*, as agent for Blueblood Thoroughbreds, a veterinary examination of the above horse was undertaken at the Magic Millions Complex, Bundall, Queensland on the 14th January, 2021. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Blueblood Thoroughbreds.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The examination also included a review of the radiographs for the above horse provided in the repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia.

In my opinion, at this time, the Zoustar x Meadow '19 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Zoustar x Meadow '19 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Blueblood Thoroughbreds and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Trent Jorgensen B.V.Sc

Yours sincerely,
