Dear Carol

RE: Training the 2019 Gelding FERNAO (IRE) (Frankel (GB) x Macheera (IRE))

I, Annabel Neasham, hereby agree to train the **FERNAO a 4YO Gelding by FRANKEL** for the syndicate being formed by BlueBlood Thoroughbreds, from my Warwick Farm & Eagle Farm stables based in NSW and QLD in accordance with my standard terms of trade.

FERNAO (IRE) is a son of the world's best champion, **FRANKEL** who stands at stud with the second highest stallion fee in the world at £275,000 a serve, this is equivalent to \$550,000 AUD. **FERNAO** is from one of the most influential shape breeding stallions, that being **Galileo** and **Danehill**, so he has that potent blood in his family. **Galileo** was a middle distance staying champion stallion. **Danehill** produced sprinters and middle-distance runners and was a champion in 3 different continents: the USA, Australia and GB.

FRANKEL is the fastest sire in history to produce 50 group winners and was a champion sire of GB in 2021 and already has over 30 Group 1 winners.

FERNAO is a lightly raced European 4YO gelding, having only 6 starts for 1 win and 3 placings. He won his maiden by an impressive 8 lengths in June 2023. In Australia, we believe his rating would be in the low 70s, which would automatically make him eligible for city class racing. He has a great pedigree page.

The dam, **Macheera** was a winner of 2 races in France and she has produced 7 runners for 6 winners. Of the 6 winners, she has produced a half to FERNAO, who was a 4-time winner including a Group 1 win in France and was also a multiple stakes winner who now stands at stud as a sire.

FERNAO is also a half to an 8-time winner, including a Group 3 placing and is also a half to a multiple Listed winner, who has produced a dual Group 3 winner.

The pedigree page only relates to the 1st dam given she has produced well in the barn leaving no room to mention further dams, so a very outstanding pedigree. The pedigree also suggests that FERNAO could be a 2000m to 2400m horse but we believe he could also be a plates and cup horse, which is what we will be aiming him for.

I am very pleased to be training the gelding for Blueblood Thoroughbreds. I am also aware that there was an inspection of this gelding to purchase, where it passed 100% clinical examination and grade scoping.

I also give permission for Blueblood Thoroughbreds to list myself as the trainer in any advertisement in relation to the gelding and advise I have no previous association or any financial interest with this horse.

I look forward to having him in my stable.

Regards
