VETERINARY CERTIFICATE

Horse: Zousain x Lucky Angel '22

Signalment: Brown yearling filly

Brands: Left shoulder = JT over a lazy 2
Right shoulder = 161 over 2

Microchip: 985100012220758

Examined at: Widden Stud, Stable G, Inglis Oaklands, Melbourne

At the request of *Ms Carol Walsh*, of Blueblood Thoroughbreds, a veterinary examination of the above horse was undertaken at the Inglis Sales Complex, Oaklands, Victoria on the 4th March, 2024. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Blueblood Thoroughbreds.

Clinical Examination

The clinical examination included heart, teeth examination, ophthalmic examination, limb flexion and joint palpation which were normal. The examination also included a review of the radiographs for the above horse provided in the repository. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia.

In my opinion, at this time, the Zousain x Lucky Angel '22 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Zousain x Lucky Angel '22 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above-mentioned horse, the proposed syndication or Blueblood Thoroughbreds and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Trent Jorgensen B.V.Sc

Yours sincerely,
