VETERINARY CERTIFICATE

Horse: Wild Ruler x Bohemian Bourbon '23

Signalment: Bay yearling colt

Brands: Left shoulder = N over a bar
Right shoulder = 9 over 3

Microchip: 985100012225477

Examined at: Newgate Farm, Stable O, Magic Millions, Bundall , QLD

At the request of *Mr Stephan Azzopardi*, as agent for Blueblood Thoroughbreds, a veterinary examination of the above horse was undertaken at the Magic Millions Complex, Bundall, Queensland on the 7th January, 2025. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Blueblood Thoroughbreds.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia. There were two descended testicles palpable in the scrotum.

In my opinion, at this time, the Wild Ruler x Bohemian Bourbon '23 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Wild Ruler x Bohemian Bourbon '23 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above mentioned horse, the proposed syndication or Blueblood Thoroughbreds and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr Trent Jorgensen B.V.Sc

Yours sincerely,
