Details: Bay, Colt

NS Brand: M OS Brand: 28 over 3

This is to certify that I saw the above mentioned horse on the 23rd October, 2024, at the request of Cavallo Park. Within the limits of the examination the horse appeared to be in good health and condition. There was no pain reaction to limb flexion and no evidence of lameness at the walk or trot. No abnormalities were detected on palpation of the limbs or on auscultation of the heart and lungs. There was no evidence of infection or disease, laminitis, ataxia or previous abdominal surgery. No specialised procedures such as endoscopy or radiography were requested or performed. Based on my examination, I find the horse suitable for syndication for racing.

This certificate has been prepared as part of the disclosure statement for the syndication of the horse described above. This certificate may be relied upon by potential investors, however it does not constitute a "pre-purchase" examination. I certify that I have no current, nor contemplate any future interest in the horse, other than to supply a veterinary opinion of the suitability for racing.

Furthermore, I am aware that this report may be used by Cavallo Park for the purposes of syndicating and selling shares in the horse described above. If you have any queries, please do not hesitate to contact me.
