At the request of Ms Carol Walsh as agent for Blueblood Thoroughbreds, a veterinary examination of the above horse was undertaken at Magic Million Sales Complex, Morphettville, Adelaide on the 20th of March 2026. The purpose of the examination was to provide a Veterinary Certificate for inclusion in the Product Disclosure Statement (PDS) for syndication by Blueblood Thoroughbreds.

Clinical Examination

The clinical examination included heart, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The horse was examined at rest and at the walk. There was no evidence of previous abdominal surgery, infection or disease, lameness, laminitis or ataxia.

In my opinion, at this time, that Hellbent X Gold Gasselle '24 presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. Hellbent X Gold Gasselle '24 is suitable for public syndication and mortality insurance.

I confirm that I do not have any current or intended future financial or other interest in the above-mentioned horse, the proposed syndication or Blueblood Thoroughbreds and this letter may be relied upon by prospective investors who invest in the horse.

Yours sincerely,

Dr. Pádraig Kelly MVB, MRCVS, Cert ESM (Equine Sports Medicine), MANZCVS (Large Animal Radiology) N8631
