VETERINARY REPORT - SYNDICATION

DATE: 05 January 2026

HORSES NAME: Showtime X Sol Witness

SIRE: Showtime

DAM: Sol Witness

MICROCHIP #: 985100012228008

COLOUR: Bay Filly 2023

This is to certify that I saw the above mentioned horse on the 19th December 2025 at the request of LPG Management. Within the limits of the examination the horse appeared to be in good health and condition but does have a mild overbite. There was no pain reaction to limb flexion and no evidence of lameness at the walk or trot. No abnormalities were detected on palpation of the limbs or on auscultation of the heart and lungs. There was no evidence of infection or disease, laminitis, ataxia, or previous abdominal surgery. No specialised procedures such as endoscopy or radiography were requested or performed. Based on my examination, I find the horse suitable for syndication for racing.
