12/10/2026

Horse: Pain Au Chocolat
Sire: Ardrossan
Dam: Genovese
Description: Bay filly
Microchip Number: 985125000137117
Brands: NS – W over S, OS – 57 over 3

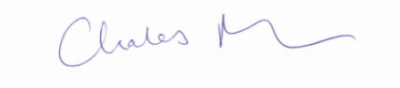

On 12th October 2026, the above-described horse was examined for the purposes of providing a veterinary certificate for syndication for Blueblood Thorughbreds.

The clinical examination included auscultation of the heart and lungs, recording of rectal temperature, ophthalmic examination, incisor teeth examination, forelimb and hindlimb flexions, and joint palpation which were all within normal limits.

In my opinion, at this time and within the confines of the examination performed the horse presented appears suitable for the purchase as a racehorse and suitable for public syndication for racing purposes and mortality insurance.

I confirm that I do not have any current financial interest or intended future financial interests or other interests in the above-mentioned horse, the proposed syndications or Blueblood Thoroughbreds and this letter may be relied upon by prospective investors who invest in this horse.

If you have any queries don't hesitate to contact me.
